BRAND *BOOK*

Introduction

Frido stands for "freedom to do more" reflecting our mission to enhance activities of daily living with our innovative products. Our vision is to become the world's most trusted brand for orthopedic and ergonomic products.

With market leadership in shoe insoles and ergonomic cushions in India, team Frido strives to make a positive impact on 100 million+ lives by 2027

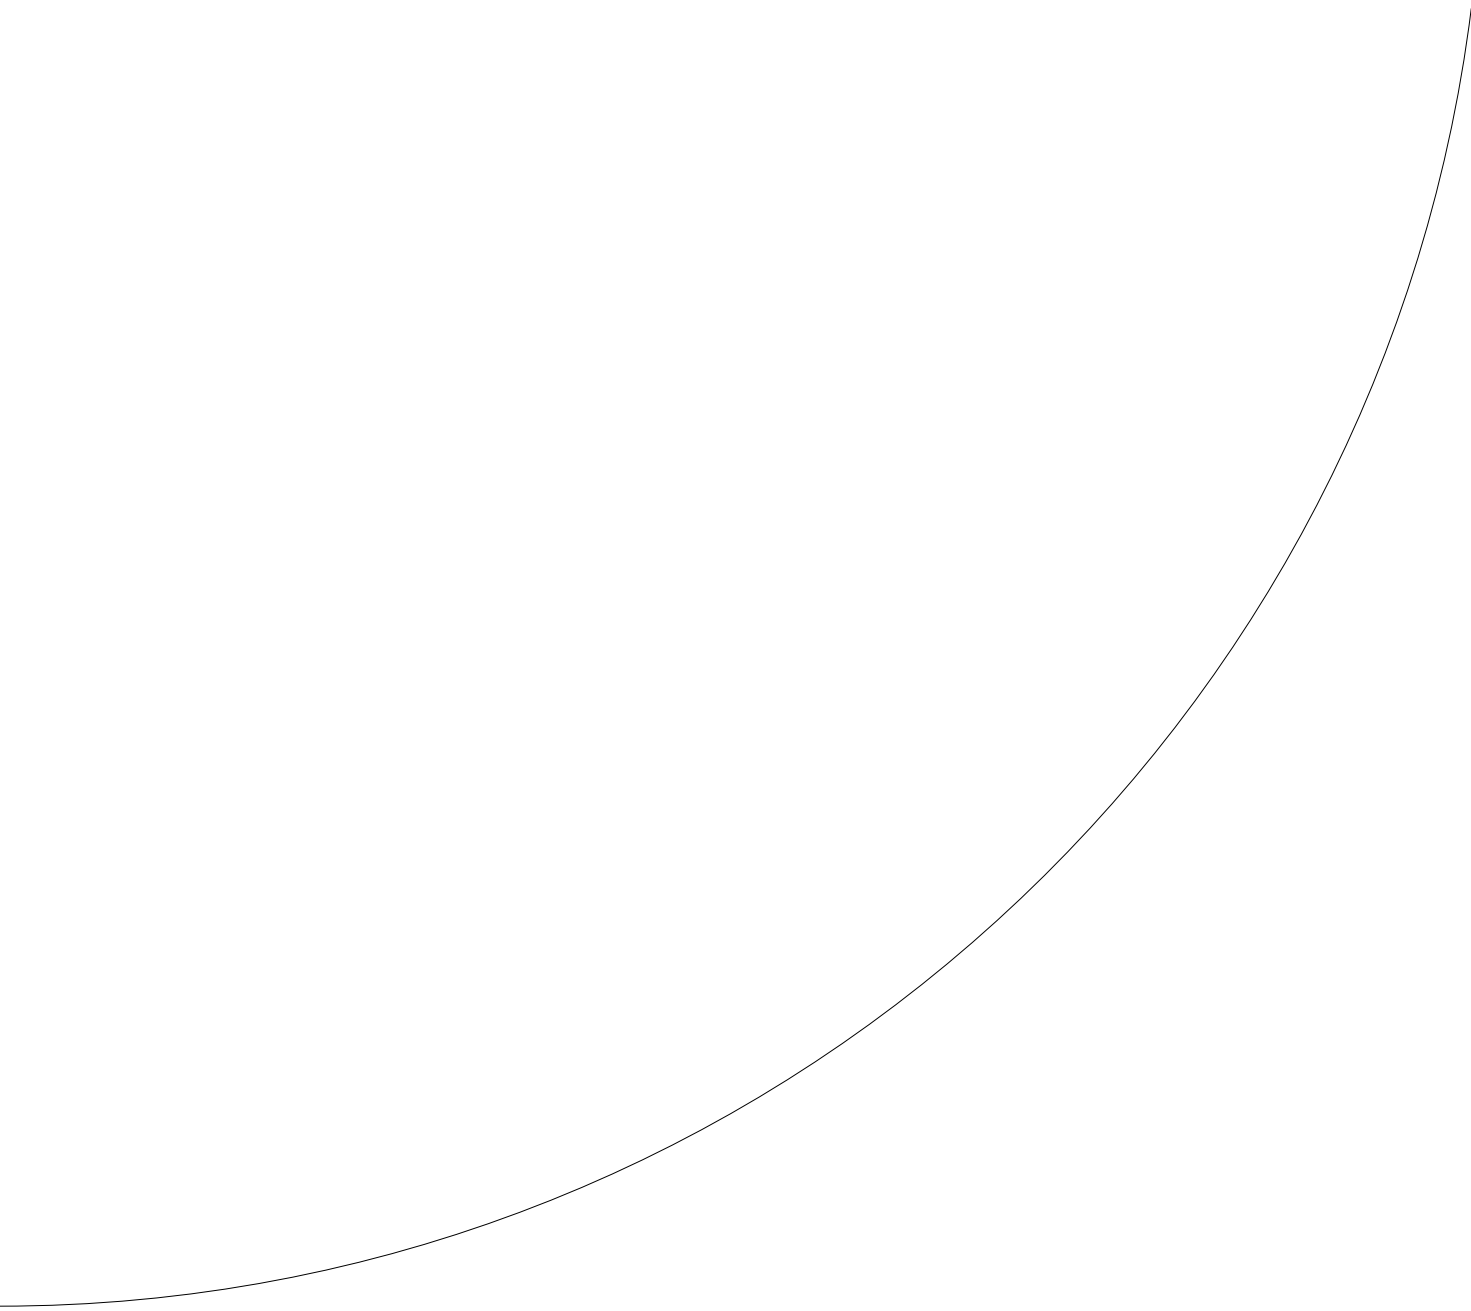

TheMission

Establishing Frido as the legacy name for comfort and pain-relief in Indian households. We aspire to lead and innovate ergonomic, science-backed products which enhance performances and provide comfort.

TheVision

Striving to provide the ultimate freedom, the freedom to do more in life. We are in the pursuit of empowering lives through the journey of pain to no-pain, discomfort to comfort and comfort to performance.

freedom to do more

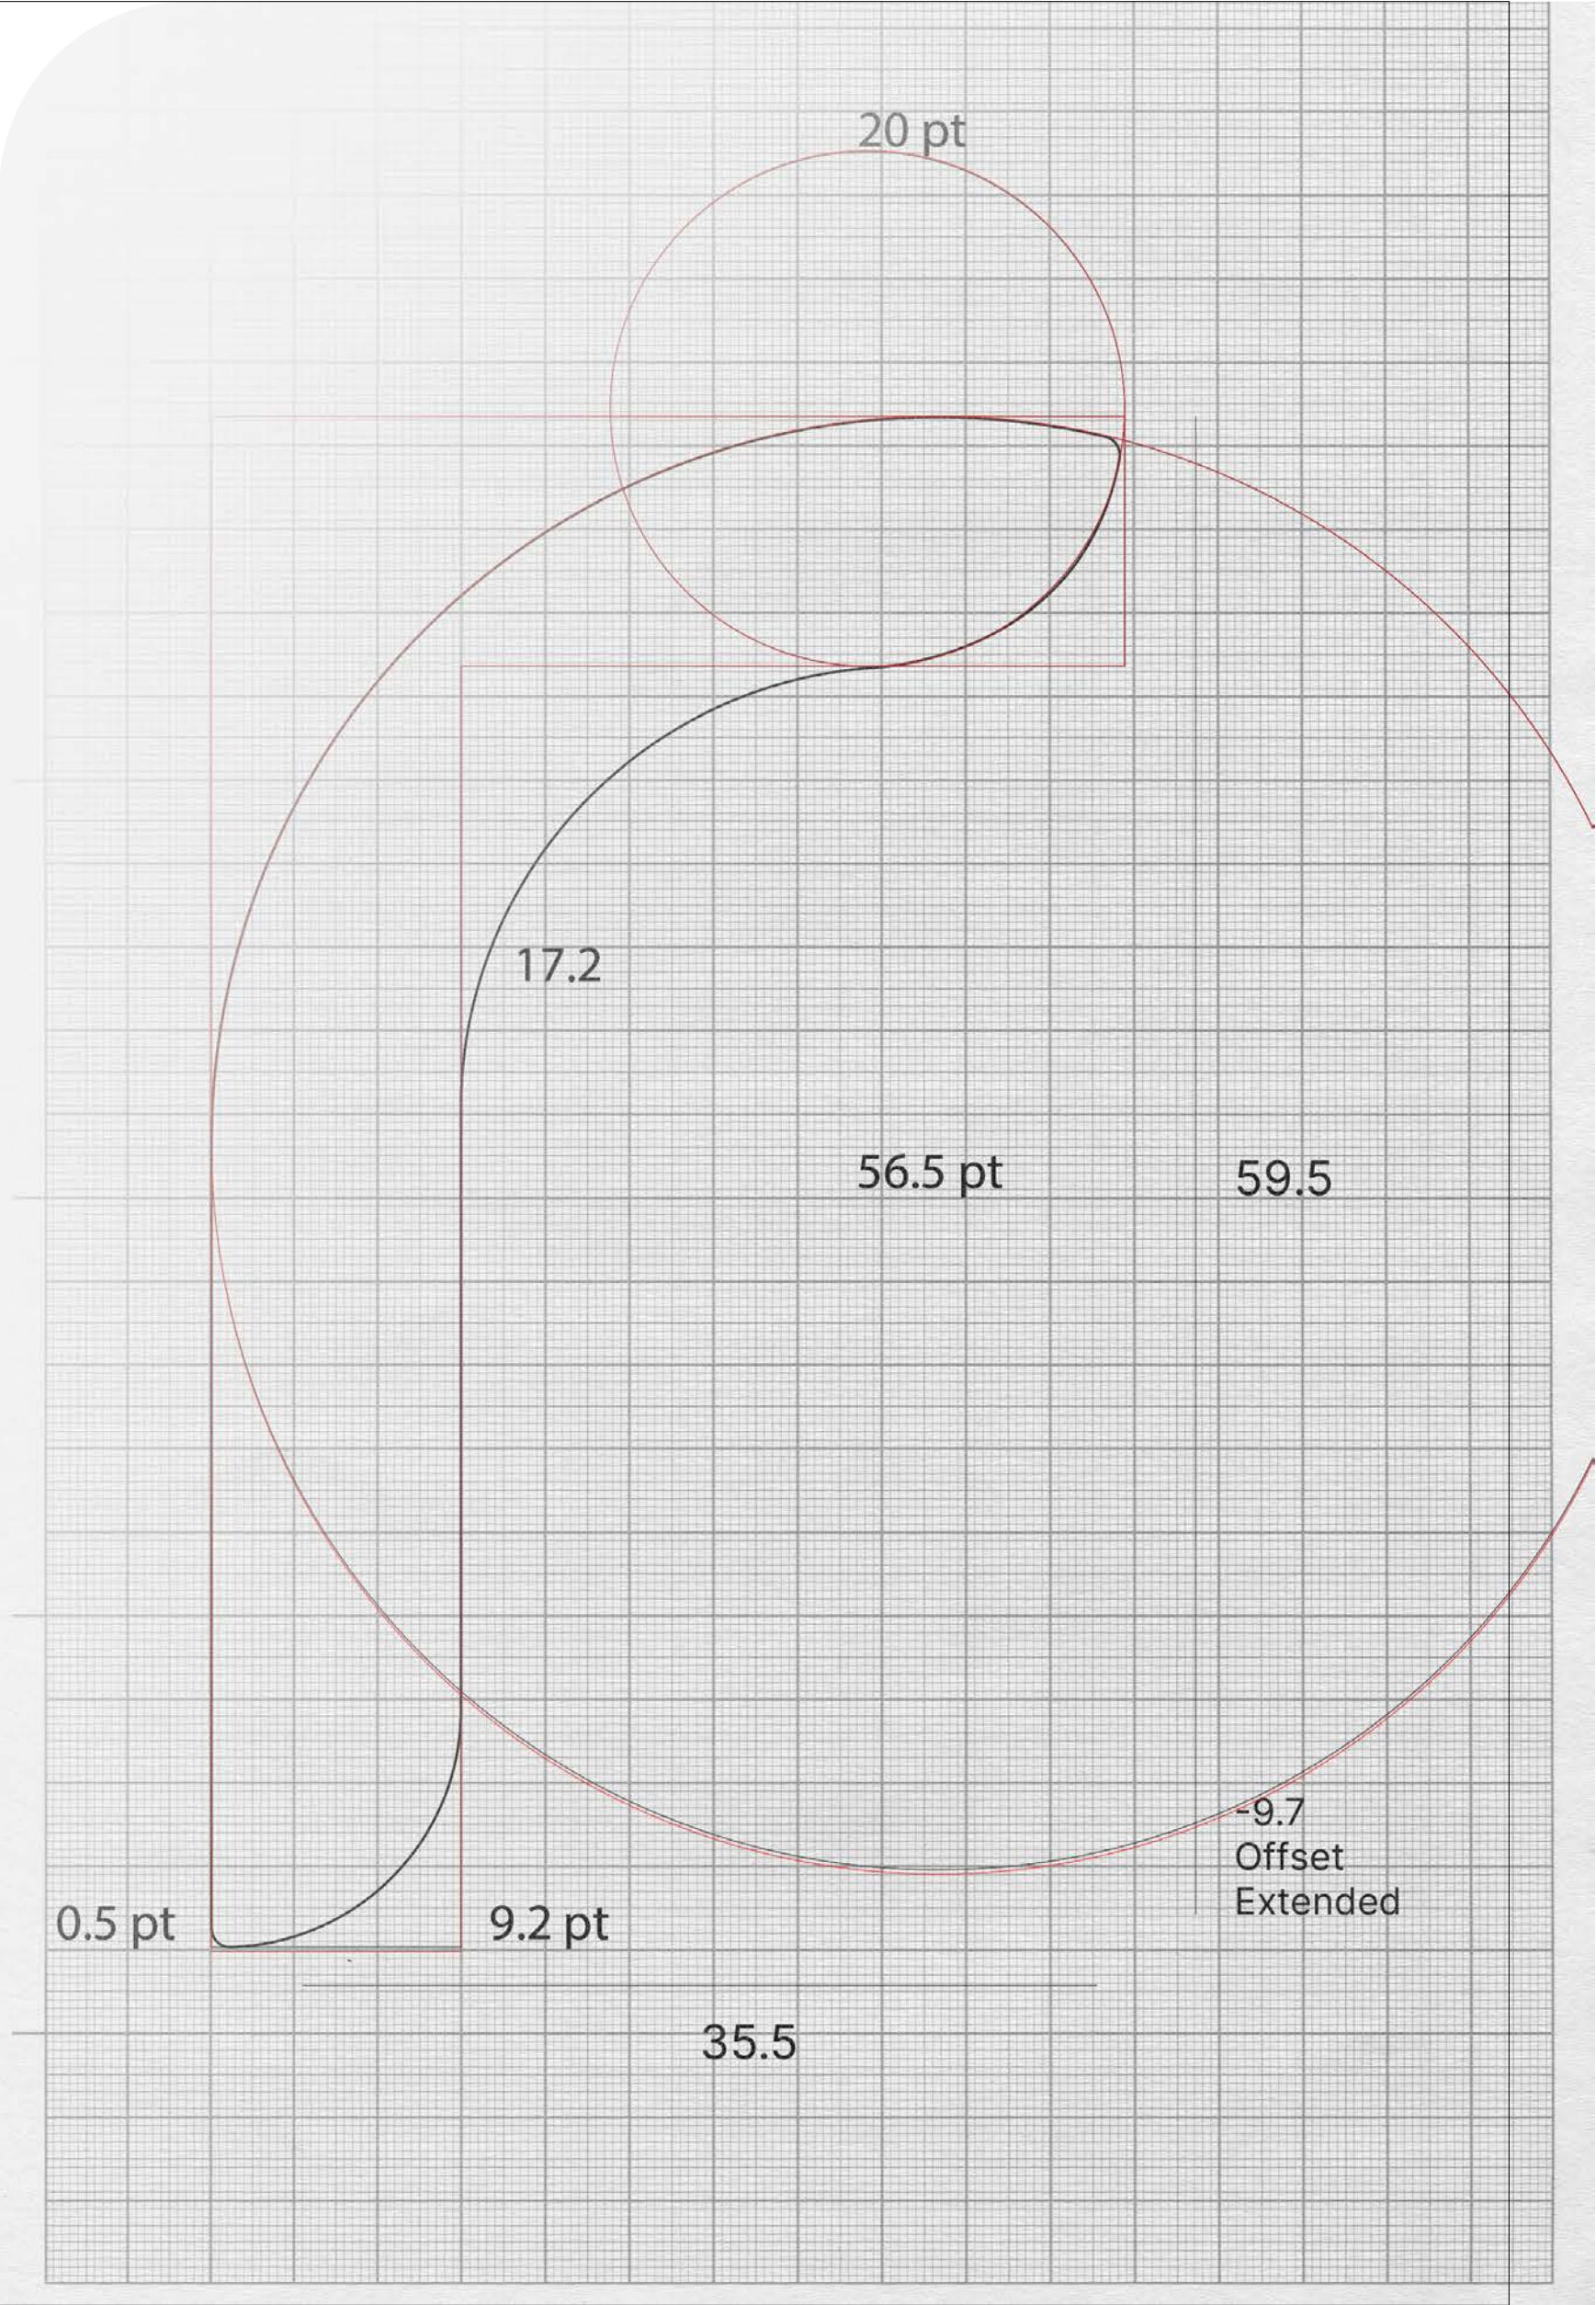

The

Logo Partnership

When placed horizontally the brand logos should be placed in '2X' difference.

The partnership logo shouldn't exceed the size of the brand logo

Logo Variations

Consistency in logo application is key to reinforcing brand recognition.

Always ensure variations of the logo are used appropriately, maintaining the integrity of the design across all mediums.

Serve as the foundation of the brand's visual identity. These colors must dominate designs, ensuring consistency, recognition, and a cohesive look across all touchpoints.

Colors-Secondary

Act as supportive tones to enhance visual balance and variety. They must complement the primary colors without competing for attention, ensuring a harmonious design.

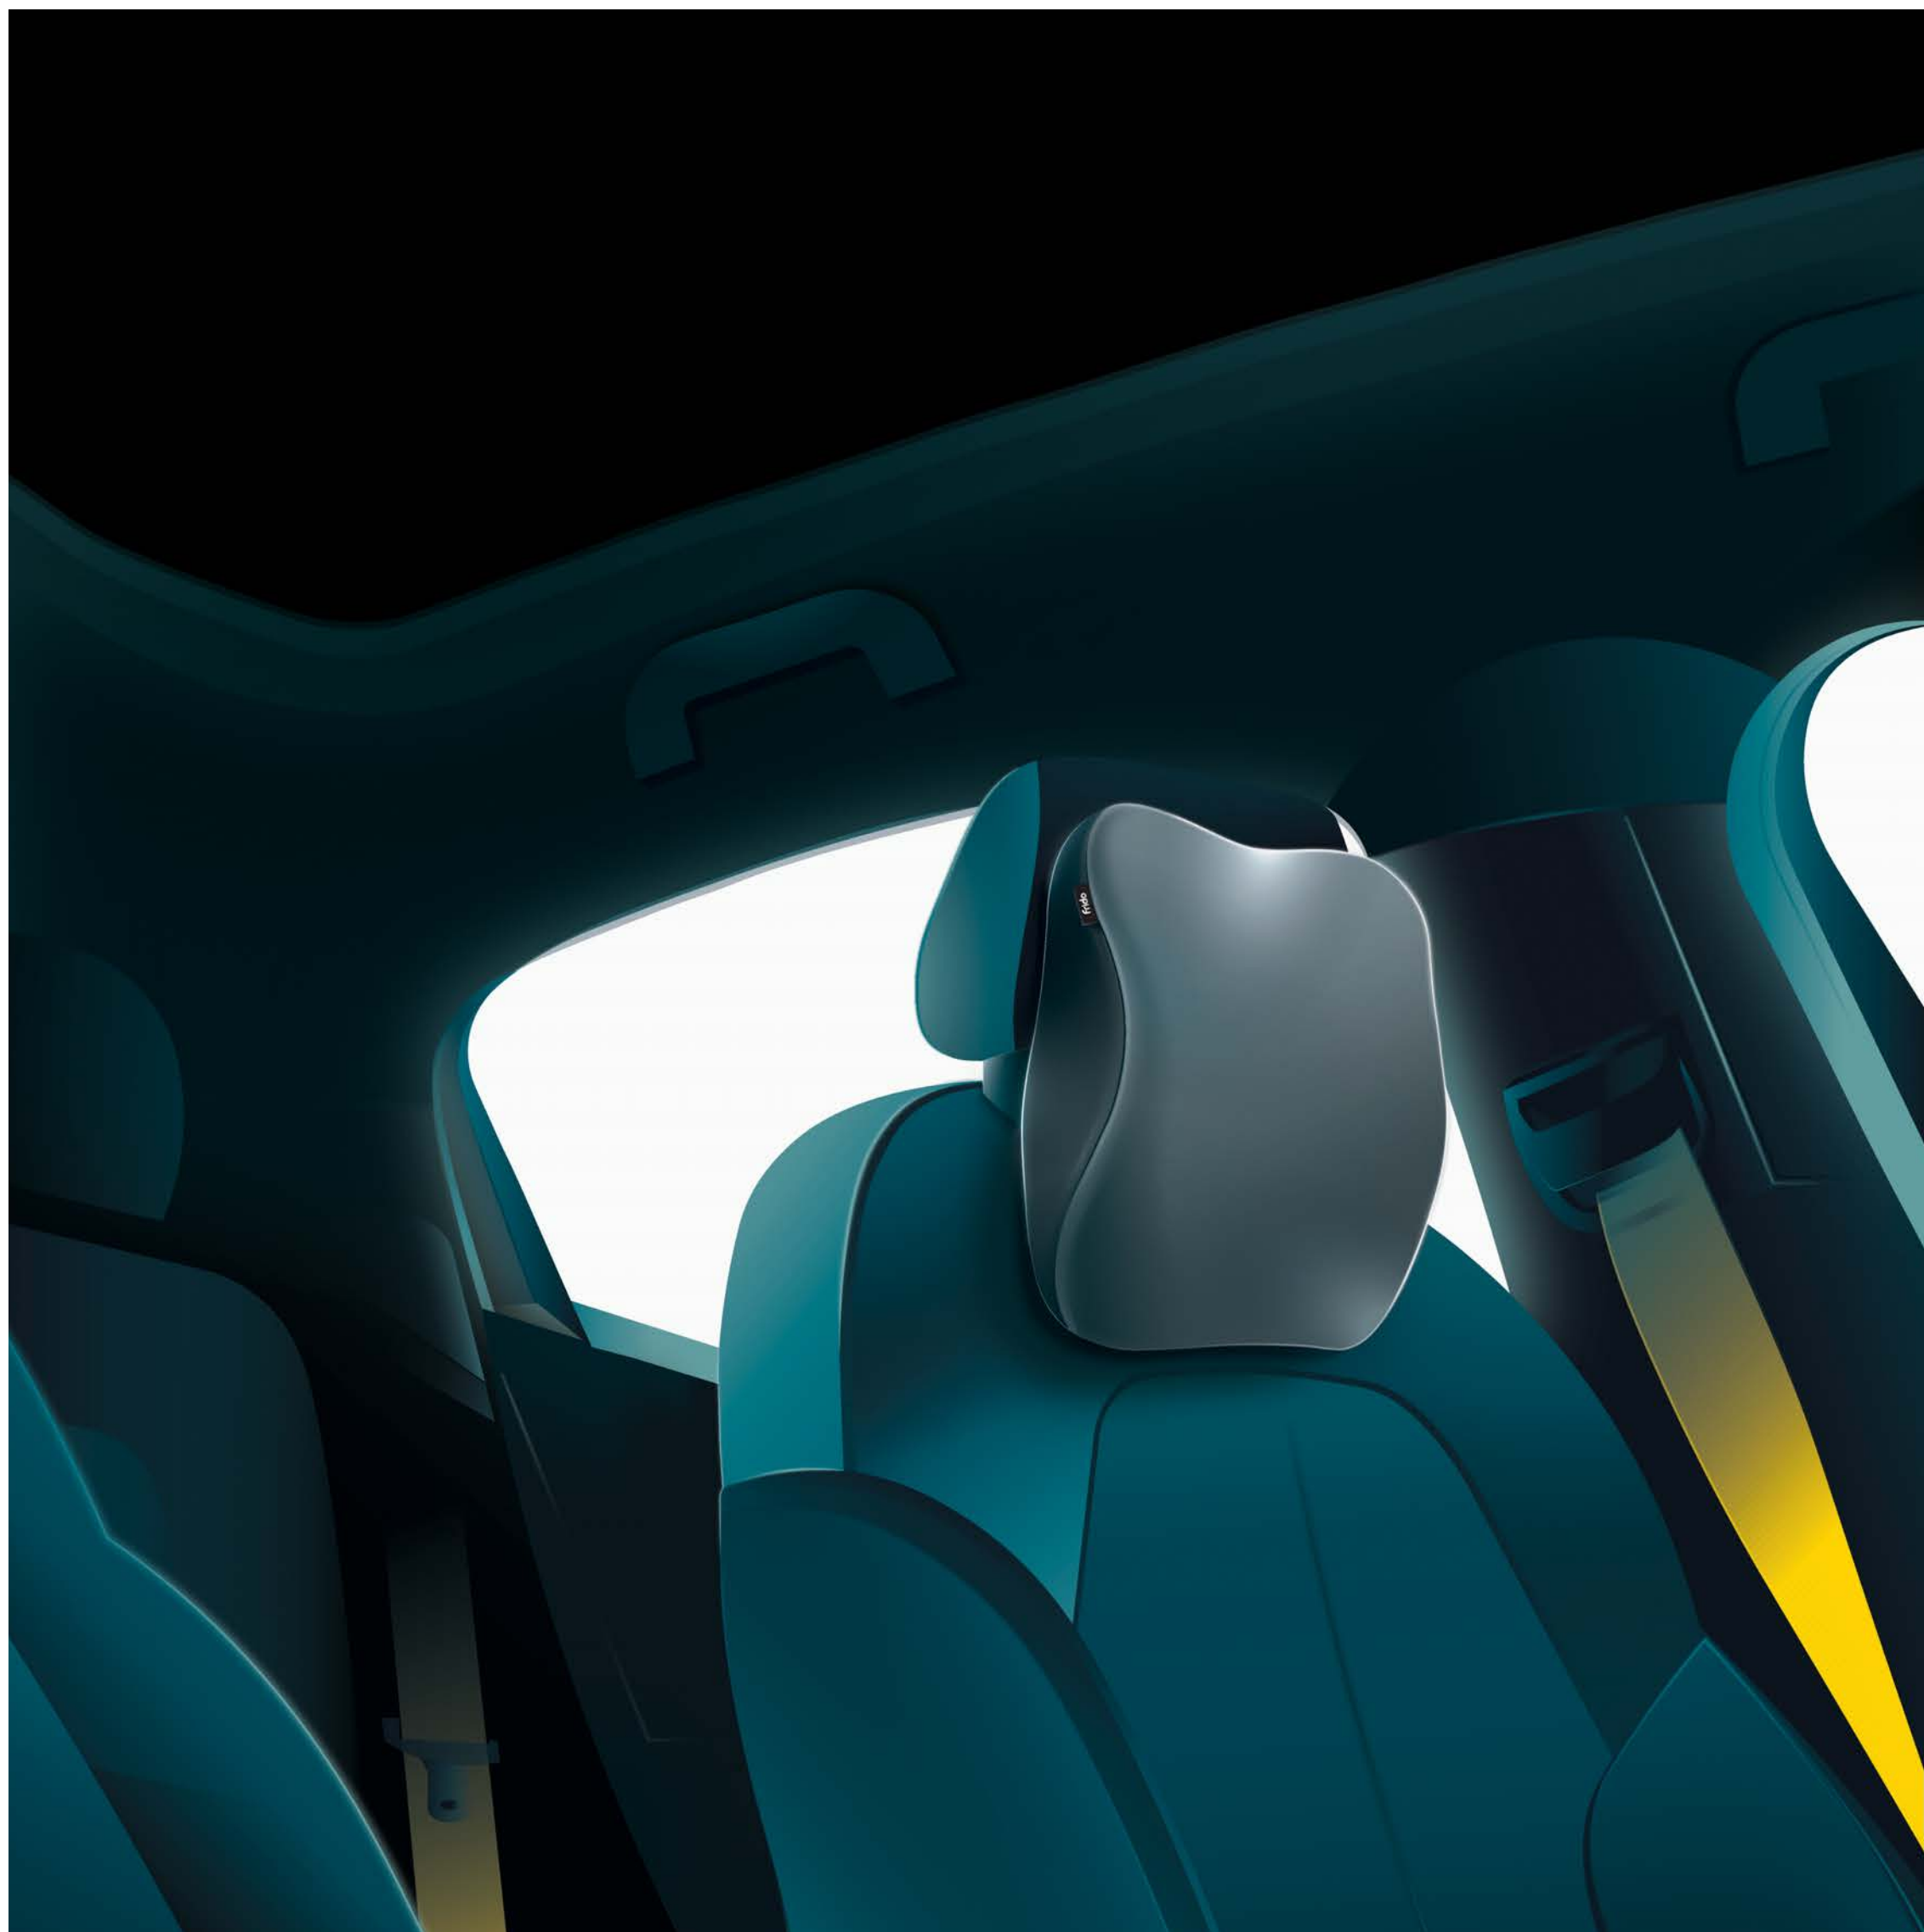

Colors-Gradients

Add depth and dynamism when used in illustrations or as subtle UI backgrounds. They must integrate seamlessly with the primary palette to uphold brand cohesion and readability.
